A Letter from the Pastor

Dear Wesley friends,

In a sermon on June 22nd, I shared that I have been rereading an old favorite author of mine. Frederick Buechner was a minister and writer. His memoirs are beautiful and insightful and I highly recommend them for going deeper in your relationship with the Lord.

He really taps into our humanity and the need to self-reflect and assess where we are in our relationship with the Lord. Read on for this good challenging word from his Memoir, Telling Secret.

> I have come to believe that by and large the human family all has the same secrets, - that what we hunger for perhaps more than anything else is to be known in our full humanness, and yet that is often just what we also fear more than anything else.
>
> It is important to tell at least from time to time the secret of who we truly and fully are—even if we tell it only to ourselves—because otherwise we run the risk of losing track of who we truly and fully are, and little by little come to accept instead, the highly edited version which we put forth in hope that the world will find it more acceptable than the real thing.

In our Wesley family, we want to provide trusted spaces in small groups where we can listen and share with each other and be fully known. This obviously requires a deep trust, humility and love for the Lord and one another.

If you are willing to go a new step in your faith, please send an email, catch Rick, or me, or someone and let us know that you want to be in a small group of 3 or 4 people who want to do this kind of reflection and growth. In my experience, being in such a group is transformative and life changing in the best ways.

Please pray about that and let's talk.

God's peace to you,
Tommy

How much should I give?
The Bible teaches giving in proportion to the material blessings we have received. We encourage committing a percentage of your income and increasing that percentage over time.

When should I give?
Regular, systematic giving cultivates a lifestyle of generosity. Regular giving connects our generosity to our blessings. You can set up regular, recurring giving at givewesley.com.

What does "tithe" mean?
It means giving the first tenth, or 10%, of our income to God, which originated in the Old Testament. When we give the first 10% of our income to the church, we put God first in our lives. We encourage setting a goal to reach or exceed this level of generosity. This is called "first fruits".
