A Letter from the Pastor

"Therefore, tell the people: This is what the Lord Almighty says: 'Return to me,' declares the Lord Almighty, 'and I will return to you,' says the Lord Almighty." — Zechariah 1:3

Is it time to renew your commitment and devotion to God?

Even Christians who were once close to God can become distracted and wander away.

The encouraging news is that God never abandons us, even when we drift into lukewarm faith or stay away from church for extended periods.

The prophet Zechariah reminds God's people of His gracious love and care. God desires a close relationship with each person and calls His people to live obediently. Zechariah assures them that when they return to God, God will return to them.

Renewing our faith may feel like starting over, and we might hesitate because we think we've failed God. However, renewal is always what's best for us. Making a commitment to seek God and pursue His purposes for our lives is beneficial regardless of our past mistakes.

Take time this month to pray for God to restore a close relationship with you and others at Wesley Methodist Church. Contact one of the pastors if you are ready to go public with your commitment to Jesus by being baptized or confessing your faith. You could also make your commitment to Jesus more concrete by finding a way to serve in the Garage Sale, Vacation Bible School, taking students to camp, inviting a neighbor to sit next to you at church, or taking time to check in on someone you have not seen in a while.

Grace and Peace,
Pastor Rick Ivey

church.

How much should I give?
The Bible teaches giving in proportion to the material blessings we have received. We encourage committing a percentage of your income and increasing that percentage over time.

When should I give?
Regular, systematic giving cultivates a lifestyle of generosity. Regular giving connects our generosity to our blessings. You can set up regular, recurring giving at givewesley.com.

What does "tithe" mean?
It means giving the first tenth, or 10%, of our income to God, which originated in the Old Testament. When we give the first 10% of our income to the church, we put God first in our lives. We encourage setting a goal to reach or exceed this level of generosity. This is called "first fruits".
