A Letter From The Pastor

BY PASTOR RICK

“All these were constantly devoting themselves to prayer, together with certain women, including Mary the mother of Jesus, as well as his brothers. In those days Peter stood up among the brothers and sisters (together the crowd numbered about one hundred twenty persons)...” Acts 1:14-15
250,000
Scholars estimate there were about 250,000 infantry men in the Roman Army at the time of Jesus life and crucifixion. They also had a navy, calvary, and all the support staff to run an army as well.

A Letter From the Pastor cont.

BY PASTOR RICK

It was a massive army, well trained, disciplined. The greatest power on the earth at the time.

120

120 people gathered after Jesus's resurrection to start the church in Acts 1. 120 fishermen, farmers, craftsman, women, children, and at least one tax collector. If you did not know the history, who do you think would win a battle between the Roman army and the church of Jesus in its infancy?

120 people helped start a movement that would topple the Roman empire and forever change the course of history.

The future rests not in the hands of Washington, Hollywood, or social media. The future will be in the hands of God and the people of God who pray fervently, trust God completely, pick up their cross, and follow him. Not even the gates of Hell can prevail against it.

Grace and Peace,

Pastor Rick
