A Letter from the Pastor

We know that all things work together for good for those who love God, who are called according to his purpose." Romans 8:28

As I think about the growth and blessings we have seen in the past year, I keep thinking to myself, "Only God could have brought all of this together." As a church we have seen growth in almost every aspect of our church. Worship attendance, small group participation, student ministry, children's ministry, number of campers, Vacation Bible School, missions and so much more have grown in the past year!

We were also blessed to be able to replace the associate parsonage roof, the large kitchen floor in the education building, resurface the parking lot, and replace outdated A/C units. Our new Global Methodist Denomination has also made huge strides in the past year with the adoption of doctrines and discipline and the election of new bishops who want to see the gospel proclaimed. We certainly need to pause and give God thanks for bringing all of these blessings to our church.

You and the church leadership are all aware that even more growth is possible in 2025. God has placed Wesley in a unique position to reach people who are seeking a loving church family rooted in Scripture and ancient church tradition, while also being focused on both local and global missions. I look forward to seeing how God will bring all of these pieces together for good in 2025.

Just as God weaves all circumstances—both joyful and challenging—into His perfect plan, He also takes our faithful giving and multiplies it for His glory. The church has experienced the same inflation and increase in costs that you have at home. It is essential that we all work together to give financially as we are able in the new year. Every gift and every offering will become an important part of God's greater purpose for our church and community.

We urge you to please prayerfully consider your giving for 2025 and complete an estimated giving card or complete your estimate online at https://wesleybeaumont.com/give/ by

November 17. Your timely response is crucial for the church's budgeting for the upcoming year and is a powerful way to witness God's grace at work in your life. Thank you for your prompt attention to this important matter!

In Christ,
Pastor Rick Ivey

comes from God. We give out of gratitude for our blessings and to support God's work through the church.

How much should I give?
The Bible teaches giving in proportion to the material blessings we have received. We encourage committing a percentage of your income and increasing that percentage over time.

When should I give?
Regular, systematic giving cultivates a lifestyle of generosity. Regular giving connects our generosity to our blessings. You can set up regular, recurring giving at givewesley.com.

What does "tithe" mean?
It means giving the first tenth, or 10%, of our income to God, which originated in the Old Testament. When we give the first 10% of our income to the church, we put God first in our lives. We encourage setting a goal to reach or exceed this level of generosity. This is called "first fruits".
