SHEREE PIERCE

Meet Sheree Pierce, our Director of Neighborhood Ministries, and learn more about her role here at Wesley!

A Letter from Our Intern

As fall is approaching so is the pumpkin patch, and as many of us know Wesley Pumpkin Patch has been a staple of our community for nearly 30 years. It has become well known for its beautiful setup, gorgeous photo ops, and charitable means. Our patch isn't just a beautiful place to go in the fall, it provides so much more. What once started as a fundraiser, has become something much deeper. We started with the idea of raising money to help fund our youth ministry. Each year our students go to a big camp in the summer, a weekend retreat in the fall, and a conference in the winter. These events are so impactful for our students because we get the opportunity to take them away from the busyness of their lives and give them a space to solely focus on the gospel and building up their relationships with God.

However, these events can be costly, and that can exclude some of our underprivileged students, so we offer them an opportunity to work at the patch to earn money to pay for camp. We also offer service hours to students in the community if they come work patch as well. This allows us to meet and develop relationships with kids we wouldn't be able to reach otherwise while helping them accomplish their academic goals. The Pumpkin Patch has also become a sort of handshake between the church and the community, as we get to meet new families, people, and members of our town when they come visit us. We have gained many new members over the years simply by getting to know them at the patch. There is so much good that comes out of this month-long fundraiser, and we want to invite our church members to play a part in it this year. We are looking for adults to help with greeting, taking payments, and pricing pumpkins. There are so many jobs and roles to play to help our patch run, and we understand not everyone can do heavy lifting, stand for long periods, or work every day. If you have a little time and a loving heart please sign up to work when you can at the patch. We would love to find a way for you to help us with this wonderful ministry.

Sincerely,

Makeila Ivey, One Student Ministry Youth Intern

Upcoming Events
