Wesley Bistro Returns

Dear Wesley Church family,

I hope you are having a wonderful summer so far. Right now, we have 80 high school students and adults staying on our church campus through Saturday helping people in the name of Jesus around our community. Many homes in our community are not wheelchair accessible for people with disabilities. As you may know, retrofitting a home or a porch with accessibility is very expensive. This team of churches is building wheelchair ramps around our city for people who need them. Praise the Lord!

I am just convinced that when the people of God show up in places where there is need, God does great things. This is one of the best ways to evangelize and witness to the love of Jesus Christ.

Witnessing is often an intimidating thing to Christians. Sometimes, maybe often times, we don't know how to witness. I want to suggest one way to practice witnessing.

At annual conference we were encouraged by Matt Reynolds of Spirit and Truth Ministries to witness through praying for people. The next time you are in a restaurant and the waiter or waitress brings your meal, before you begin to pray, ask that waiter/waitress whether there is anything you can pray about for them?

"We are about to pray for our food, is there anything we can pray about for you?"

They may not take you up on it, they may join you, they may have a concern to lift up, who knows, but your prayers for them are a witness. I was at a meal with a pastor friend recently who made this offer with the waitress and she joined by staying at our table while we prayed for her and her family. After the prayer, she was glowing!

No need to fear rejection in offering to pray. God is honored and given glory even by your offering to pray for them. And, remember, before you go, leave a good tip as you are able! We want our words to be coupled with our actions.

To God be the glory!
Pastor Tommy

The Gatherers Sunday School Class extends the Mark Pizza Challenge from J.D. Walt to ourselves and to you!

The Rules:

1. Read one chapter of Mark each day for 16 days.
2. If you miss a day, you must start over. Example: You are on chapter 4 and miss a day. You must now read chapters 1-5 in one day.
3. Attend the Pizza Party in the Parlor on August 4 at 5pm!

We hope it turns into a powerful spiritual practice that stirs your hunger for the Word.

As we read through Mark together, ask yourself, "What can we learn about the third person of the Trinity by studying the second person of the Trinity?"

Rules

1. Read a chapter a day.
2. If you skip a day, start over.
