

WESLEY METHODIST CHURCH

the *Weekly Update*

10 September 2026

A Letter From Our Lay Leader:

This summer, we have completed several projects to enhance the spaces we use for worship, fellowship, and ministry. Improvements include upgrades to the dining hall kitchen, renovations to the restrooms in the Education Building and in the Gym. We are blessed with a wonderful facility, and it was the right time to invest in these areas to ensure they continue to serve Wesley Day School, Student Ministry, the 9:00 a.m. worship service, and the many other ministries and events that take place throughout the year.

The restroom renovations in the Education Building will be completed in the coming weeks. We have also installed a new sound system console in the Sanctuary, which includes a hearing assistance feature, and added new automated external defibrillators (AEDs) throughout the building to enhance safety for all who worship and gather here.

These projects have been made possible through your generosity, and we are grateful for your continued support as we work to maintain and improve our church campus. In the months ahead, the Facilities Team will be evaluating additional projects, including new carpeting, interior painting, repairs to Sanctuary pews, painting beneath the breezeway and at the Praise Center entrance, and the installation of additional security cameras. Our goal is to ensure that our facilities remain welcoming, functional, and reflective of the excellence we strive for in all areas of ministry.

A Letter from our Lay Leader Cont.

If you would like to support these efforts financially, please contact the church office or me directly to learn how you can participate in this important work. A well-maintained facility not only creates a positive first impression for visitors, but also provides a comfortable and inviting environment for our congregation, ministries, and community.

Thank you for your support as we continue to invest in the future of Wesley Methodist Church.

- Alpha USA: Alpha is a series of sessions that explore the foundations of the Christian faith in an honest and non-judgmental environment. Sessions typically begin with food and connection, followed by a talk and open discussion. Anyone can host an Alpha, you don't need to have all the answers, just a heart to invite people into conversation.

- Discipleship Band: A discipleship band is a group of three to five people who meet weekly to engage in transformational questions and pray for one another.
